Dear Sir:

INFORMATION DISCLOSURE STATEMENT

In accordance with the requirements of 37 C.F.R. §§ 1.97 and 1.98, attached please find a Form PTO-1449 listing information for consideration by the Office in connection with its examination of the above-captioned patent application. Copies of each document listed are enclosed herein.

Applicant submits that no representation is made, and no representation is intended, that more relevant material does not exist, or that the order of presentation of these materials in any way reflects their relative pertinence. The listing on the attached Form PTO-1449 is not intended to

constitute an admission of any kind. Specifically, this presentation is not an admission that any of the items listed are properly citable against the above-identified application as prior art.

Pursuant to 37 C.F.R. § 1.98(a)(3), the non-English non-patent reference Langham et al., Genesa 1:3-16 (1956) is an early report which relates some capsule characters to shatter resistance.

Applicant respectfully submits that his invention is patentable over the documents listed on Form PTO-1449.

Respectfully submitted,

By:
